**Attention PT 33 DME Suppliers:**

**Re-enrollment Deadline Extended to March 31, 2010**

The deadline for Provider Type (PT) 33 - Durable Medical Equipment, Prosthetics, Orthotics and Disposable Medical Supplies (DMEPOS) suppliers to submit a new [Provider Enrollment Application and the Division of Health Care Financing and Policy \(DHCFP\) Provider Contract](#) has been extended to March 31, 2010. Failure to submit a new Enrollment Application by the required due date will result in the termination of your Nevada Medicaid PT 33 contract.

A [notification](#) regarding re-enrollment mailed to all DME providers requested a copy of the National Supplier Clearinghouse (NSC) letter; however, other verification documents will be accepted. Please refer to the updated [Enrollment Checklist for Provider Type 33](#).

Providers with multiple provider types, such as a PT 28 (Pharmacy), are only required to re-enroll for PT 33. Corporations with multiple store locations must submit a complete and separate Enrollment Application for each location.
